

Welcome to My World!

Welcome to my personal web. My name is Amit Shah. This is my way of staying connected both to those whom I know and with those I have not yet met who may share similar interests.

I am Master of Computer Application (MCA) from IGNOU and B. Sc. with Chemistry From Gujarat University.

With this website I expect that you know better my personal & professional aspects. I have divided the website in six main parts, well explained with its own title. You can access every one of this parts with the bar situated on the left.

1. Favorite Articles
